## DISCLAIMER TO THE PUBLIC

South Nyanza Sugar Company Limited (SonySugar) has noted with great concern that certain individuals are masquerading as its employees with the intentions of defrauding unsuspecting tenderers/vendors/suppliers.

We would like to notify the general public that:-

1. Tenders are always advertised as and when they fall due for competitive bidding.
2. SonySugar contract for goods and services through a system that is fair, equitable, transparent, competitive and cost effective.
3. SonySugar embraces the principle of zero tolerance to corruption and does not request prospective supplier to part with money to secure tender awards.

The general public is advised to confirm with the Company regarding any tender and report any fraudulent dealings to the SonySugar through the following contacts:-
