### PRESS RELEASE

#### FAKE INFORMATION WITH INTENT TO DEFRAUD THE PUBLIC

Our attention has been drawn to fake documents in circulation, purporting to advertise career vacancies, job appointments and tenders by the Company.

The documents bear forged rubberstamps and falsified signatures. They refer to nonexistent tenders, positions unknown within our Human Resource establishment or/and misleading work stations.

We wish to state and clarify that South Nyanza Sugar Company Limited (also referred to as SonySugar), advertises career vacancies and tenders whenever they occur, on the Company noticeboards, Company Website and National newspapers, and does not enlist third party services to solicit talents, goods and services.

The public is further guided to proactively and reactively access and verify our official information by personal visits or through correspondences as follows:-
